

# Port of Blyth – Battleship Wharf Phase 1

**Client:**  
Port of Blyth

**Engineers:**  
Posford  
Haskoning

**Value:**  
£2.5m

## Brief

In July 2003 it was announced by the UK Trust Port of Blyth that they were to embark on a major investment programme of almost £5m. The work was to be focused mainly on its Battleship Wharf Terminal where a new 7500 m<sup>2</sup> warehouse and 120m quay were to be constructed.

Additional works ordered included 6000m<sup>2</sup> of block paving to accommodate specialist agri-bulk handling equipment used between the dockside and the 6000te self-contained storage compartments.

## Action

Hall Construction Services Ltd and were awarded the works on the basis of offering the best overall quality package.
