

# Waste Recycling 'Village' – South Shields

**Client:**  
South Tyneside  
District Council

**Engineer:**  
Atkins

**Value:**  
£1.3m

## Brief

To construct a new recycling facility at Middlefields for use by the public to handle waste materials prior to recycling.

## Action

The contract comprised the construction of concrete bases for waste hoppers, all access roads and hardstandings.

The scheme also provided a new warehouse with offices for the resale of materials.
