

## **HALL CONSTRUCTION WINS CONTRACTS WORTH £11M**

Hall Construction Services Ltd, based in Co. Durham, has won 2 major contracts worth over £11m

Work has started this week on a £6.4m contract at Hatfield Colliery, Doncaster for Powerfuel plc to provide new infrastructure comprising site preparation, earthworks, new roads and drainage. It is expected that mining will resume at the pit over the next 12 months where a new clean-coal power station is to be built adjacent to the colliery along with industrial and commercial development.

In Middlesbrough, Hall Construction has started work on a new £5.2m scheme for Bulkhaul Ltd on Riverside Industrial Park comprising major building and civil engineering works including new truck and trailer workshops, offices and amenities building along with extensive concrete hardstandings and car parking.
