

Shrewsbury Town FC

Client:
Shrewsbury
Town FC

Architect:
WDW
Partnership

Engineer:
WSP

Value:
£11.2m

Brief

Design and construction of new 10,000 seater stadium with club administration and banqueting facilities for up to 300 people.

The project consists of 4 stands, hospitality boxes, function rooms, kitchen, bars and club shop with offices.

Action

Following detailed discussion to ensure cost savings on previously submitted schemes Hall Construction were awarded Preferred Contractor Status on a design and build basis by the client.

New adjoining community and training pitches were constructed along with a 670 space car park and new access roads.

The project was completed ahead of schedule in time for the start of the 2007/2008 season.
