

# Infrastructure Works Hatfield Power Park – Doncaster

**Client:**  
Powerfuel plc

**Engineer:**  
Scott Wilson

**Value:**  
£6.8m

## Brief

To provide reclamation and infrastructure works to new power station and business park development on the site of Hatfield Colliery.

The works also included 1.8km of adoptable access roads with drainage to service the new development and included detention basins and headwall structures.

## Action

Works undertaken consisted of major bulk earthworks of 2,000,000 cu. m. to create areas for new power station and business park after the clearance of existing infrastructure.
