

New Tank Farm – Teesside

Client:
Vopak Teesside
Ltd

Engineers:
Billinghurst
George & Ps

**Project
Managers:**
R B Plant Ltd

Value:
£7.2m

Brief

To construct new above ground facilities for the storage of bio-ethanol.

Mechanical, electrical and instrumentation installation including all pipework along with full commissioning also took place including HAZOP assessment.

Action

Construction of 8 storage tanks with a total capacity of 40,000 cu m for the storage of bio-ethanol with both ship and road loading facilities.

The project included the tank bases and infrastructure works including bund walls.
